

Dear fellow alumni in Japan,

**秋日茶聚 - Lunch Gathering with HKU Alumni in Japan**

Wouldn't it be great to get together with fellow HKU alumni who are living, studying or working in Japan?

Many alumni expressed the wish to build up a better link with other fellow HKU alumni in Japan. We are two alumni living & working in Japan and are happy to act as co-convenors to further explore the starting up of a HKU alumni group in Japan.

Your participation and support is vital to the success of the Japan Chapter. In order to brainstorm ideas and suggestions for the Japan alumni network, we would like to propose an informal lunch gathering to discuss the following :

1. Aims and objectives of setting up Alumni Chapter in Japan
2. Tasks and opportunities to organize activities and events e.g. social gathering, mentorship programme, travel group etc
3. Core (exco) members of Japan Chapter

Details of the gathering are as follows:

**Date:** October 15, 2005 (Saturday)

**Time:** 12:00 noon to 2:00 pm
