

香 港 大 學

THE UNIVERSITY OF HONG KONG

## **Agricultural Sciences**

**Professor Nagendra P. SHAH**

**Professor of Food Science**

**Food and Nutritional Sciences, School of Biological Sciences, Faculty of Science**

**The University of Hong Kong**

Professor Nagendra P. Shah obtained his Bachelor degree from India, M.Sc. from USA and PhD from Canada. Before joining the University of Hong Kong as tenured Professor in January 2012, he worked as an Associate Lecturer, Lecturer, Senior Lecturer, Associate Professor and Full Professor at Victoria University in Australia. His research interests are in probiotics, prebiotics, genomics and bioinformatics, and gut microbiome. He has published 295 research papers, 27 book chapters, and 213 conference abstracts. Additionally, he has edited 3 books on Dairy Products and Quality Control, Probiotic and Prebiotic and yogurt in health and disease prevention. He has also edited 2 special issues of the International Dairy Journal and 1 special issue of the British Journal of Nutrition. Prof. Shah has received several prestigious international awards such as International Dairy Foods Association Research Award, American Dairy Science Association Distinguished Service Award, William C. Haines Dairy Science Award, and Marschall Rhodia International Dairy Science Award. He is a fellow of the Australian Institute of Food Science and Technology, American Dairy Science Association, and Institute of Food Technologists. Prof. Shah has received 22,208 citations and his h-index is 75.
