

THE UNIVERSITY OF HONG KONG

Request for non-contact IR thermometers

Note:

Non-contact IR thermometers so allocated will be charged on an at cost basis, at HK\$680 each. Owing to the existing limited stock obtained by the University, there may be practical difficulty in meeting all requests from Faculties/Departments/Centres/Units.

The completed form should be submitted by email to bodytemp@hku.hk by Wednesday, March 18, 2020. For enquiries, please contact the Safety Office at 2859 2400.
