SUPPORTING DOCUMENTS

1. After submitting an online application via the University's online application system (https://admissions.hku.hk/tpg/programme-list) within one day, applicants will receive an email from the Faculty with login ID and password to access the Faculty's MSc(Conservation) Application Documents Submission System (https://admission.arch.hku.hk). Please upload the below list of supporting documents to the system by **12:00 noon (GMT+8), January 2, 2024**. Please do not encrypt the supporting documents.

   a) HKID copy (with watermark) for local applicants or passport copy for non-local applicants.

   b) Official transcripts.

   c) Graduation certificate (if any).

   d) Brief curriculum vitae (maximum 2 pages)

   e) Official test report of the Test of English as a Foreign Language (TOEFL) (non-home edition), or International English Language Testing System (IELTS) (if you have not been studying in a university in which the courses are taught in English).

   f) A written Statement of Interest (500 words maximum) that explains your professional and academic interests and motivation in applying to the Master of Science in Conservation Programme. Applicants who identify a specific area/subject in conservation that they wish to explore in greater depth for their graduate studies at HKU will be given preference.

   g) Applicants who select the "Design for Conservation" stream must submit a portfolio that demonstrates their design skills and experience. Proper credit and context must be given for all work related to author, collaborators, and professional office in which the work was completed or academic course and instructor for which the work was completed, where appropriate. The portfolio should be in PDF format and should not exceed 15 pages or 30Mb.

2. Applicants have to appoint 2 referees, preferably previous teachers or professional employers via the University's online application system (**https://admissions.hku.hk/tpg/programme-list**). Both of your referees will be requested to complete an online referee report and upload a reference letter via a separate email sent by the Faculty.

NOTE: It is crucial for applicants to input accurate information into the University's online application system. Any inaccurate information may cause email delivery failure and unavailable access to Faculty's Submission System.
